

LAUNDRY

(a) The laundry room may only be used between the hours of 8 AM and 9 PM daily.

(b) Users of the facilities are responsible to remove all lint and litter after each use and deposit waste in the receptacles provided.

(c) Clothes must be removed from the machines promptly.

(d) No dye shall be used at any time.

(e) Only liquid bleach may be used.

(f) Laundry supplies must not be stored in the laundry room.

(g) No more than three (3) machines of any type may be used by a single unit at one time.

(h) All other posted rules in the laundry area must be observed.
